

# OPENING DOORS AND HOUSES

## Kauai Board of REALTORS® 2nd Island Wide Open House

**Saturday, September 30th • 10 am to 3 pm  
From Kekaha to Heana**

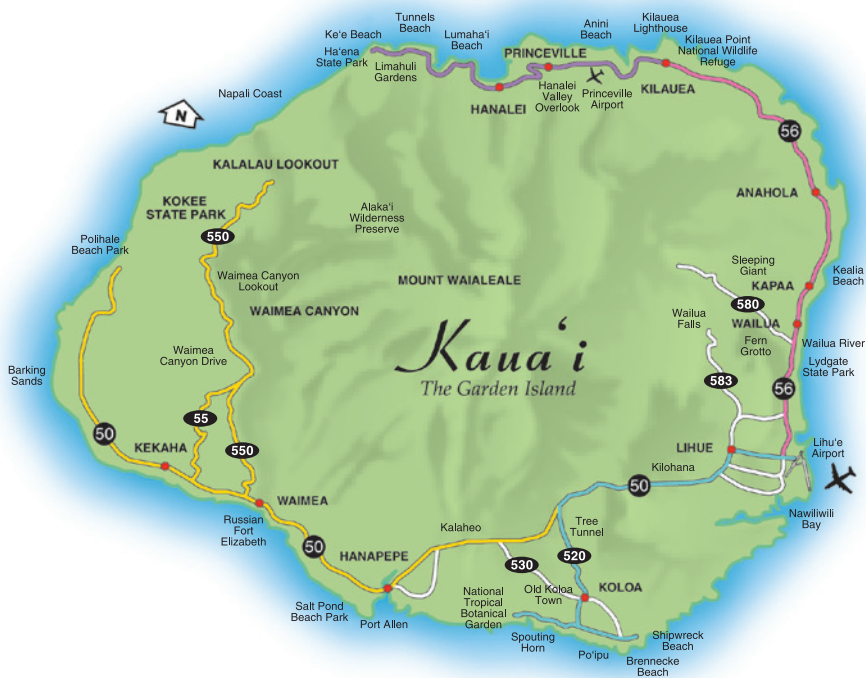

Home ownership is the American Dream. Kauai's economy has improved over the last few years but our housing production remains low. This has created a shortage of both properties to purchase or rent as your primary residence. Your Real Estate professionals at the Kauai Board of REALTORS® recognize this shortage and are working together with government and the private sector to bring forth affordable housing opportunities across the island by encouraging creative, innovative and cost effective ways to build our infrastructure to support existing and new housing production.

We encourage both those looking to find a home and the general public to visit the Island Wide Open House to view the diverse opportunities available, and learn how REALTORS® fight to protect property rights such as ensuring Hawaii would not lose its National Flood Insurance with FEMA (House Bill 1418, SD1).

Kauai residents understand how devastating a hurricane can be after Iniki and how much the aid from FEMA is crucial to rebuild. Our thoughts and prayers are with those hit recently by hurricanes in Texas, the Caribbean, and Florida.

Me ka mahalo,
